

STAR TREK CHARACTER CREATION QUESTIONS

Species Considerations

- What species interests you the most? Is your character a Mixed-Species (if so consult your Narrator if this is allowable)?
- Is the species you are interested appropriate for the game? Consult your Narrator if you have any questions.
- What "feels" best for the character?
- Does the profession you are interested in work well for this species?

Crew Considerations

- What is your concept?
- Is it appropriate for the game? Does this work in the setting?
- How do they all fit together?
- What is everyone else playing?

Early Life History

- Where was your character born?
- Where did he or she live?
- What type of environment was it? Urban? Rural? Occupation? Station-board? Starship? Colony?
- Was your family rich? Poor? Middle-Class?
- What kind of relationship did your character have with his or her parents?
- What kind of relationship did your parents have with each other?
- What are your parent's occupations?
- Did your character ever go to work with them?
- Did the character have any siblings? How many? How close in age are they?
- What are their names?
- Which member of the family was the character closest with?
- What are your character's childhood interests?
- Was he or she precocious? A late bloomer?
- In what way was your character's childhood unique?

Youth History

- What was your character's major course of study?
- Was that also his or her favorite subject? If not, what was?
- Did he or she pursue any other interests before settling on a final degree?
- Was he or she a good student?
- What did he or she do outside of class?
- Were there any particular relationships that marked this phase of the character's life?
- In what way was your character's youth unique?

Adulthood

- What does your character do for a living?
- Is he or she good at it?
- Is your character recognized by his or her peers?
- What kind of lifestyle does your character lead? Extravagant? Simple? Beyond his or her means?
- Where does he or she live? Any roommates?
- How often does he or she travel?
- What does he or she do to relax?
- What kind of friends does he or she have?
- What do they do when they just want to hang out?
- Any romantic interests? Spouse? Kids?
- Are his or her parents still alive? Still in touch? What about siblings?
- In what way is your character's adulthood unique?

Additional Notes

- What was the most dangerous thing your character ever done?
- The silliest?
- What planet is the furthest from home that he or she traveled?
- Has your character ever met a member of another race?
- How did this happen?
